

# True or False ?

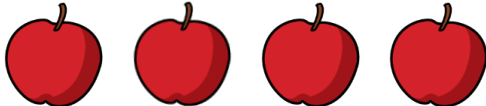

Comparison, sum and difference.

Fruit	Number of Children
Orange	
Banana	
Grapes	

19 children  
were asked to  
choose their  
favourite fruit.

The difference between the  
number of children who chose  
orange and banana was 3

## False

Fruit	Number of Children
Orange	
Banana	
Grapes	

If 19 children were asked, each apple represents 2 children.

$$8 - 2 = 6$$
