

## Tongue Twister Challenge

You may have heard the following tongue twister. It is about Mary Anning, the Fossil Girl of Lyme Regis.

*She sells sea shells on the sea shore,  
The shells that she sells are sea shells I'm sure,  
So if she sells sea shells on the sea shore  
I'm sure that the shells are sea shore shells.*

You have two challenges:

- 1- Practise the tongue twister. How fast can you say it accurately?
2. Write out the tongue twister in your neatest writing.

You can send me your work via [Seasaw](#).
