

**YOU'VE GOT A FRIEND IN ME -
TOY STORY**

You've got a friend in me
You've got a friend in me
When the road looks rough
ahead
And you're miles and miles
From your nice warm bed
You just remember what your
old pal said

Boy, you've got a friend in me
Yeah, you've got a friend in me

You've got a friend in me
You've got a friend in me
You've got troubles and I've got
them too
There isn't anything I wouldn't
do for you

We stick together and can see
it through

'Cause you've got a friend in
me

You've got a friend in me

Some other folks might be
A little bit smarter than I am

Big and stronger too, maybe
But none of them will ever love
you

The way I do
It's me and you, boy

And as the years go by
Our friendship will never die
You're gonna see it's our
destiny...

You've got a friend in me (x3)
