

You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed
You just remember what your old pal said
Boy, you've got a friend in me
Yeah, you've got a friend in me

1. What do you think the road symbolises? *The path you take in life.*
2. Why might it be rough? *Certain things happen in life that can be tough and hard to deal with.*
3. Can you think of something that might make the road rough? *Heartbreak, loss of a loved one, not getting a job etc.*
4. What is you're a contraction of? *You are*
5. How do you know they have been friends a long time? *He calls him an 'old friend'*

You've got a friend in me
You've got a friend in me
You've got troubles and I've got them too
There isn't anything I wouldn't do for you
We stick together and can see it through
'Cause you've got a friend in me
You've got a friend in me

6. What does the singer mean by troubles? *Difficulties or problems*
7. Why is it important that he recognises he has them too? *It shows that he is aware that nobody is perfect and also that it is ok to have doubts and troubles.*
8. Can you think of another word for stick? *Stay, glue, attach etc*

Some other folks might be
A little bit smarter than I am
Big and stronger too, maybe
But none of them will ever love you
The way I do
It's me and you, boy
And as the years go by
Our friendship will never die
You're gonna see it's our destiny...
You've got a friend in me

9. Why do you think he talks about other people with better qualities? *He is again referencing the fact that nobody is perfect but above all being a good friend is the best attribute to have.*
10. What does the word destiny mean? *The events that will necessarily happen to a particular person or thing in the future.*
