

Improving Inference

- What is the dad doing?
 - Why is the girl standing behind him?
 - Why is she dragging a kite on the floor?
- Has she said anything to him? Does he know she's there?
 - How is she feeling? What is she thinking?
- Do you think this has happened before? Why/why not?

Extend

Using the picture above, can you think of three alternative questions that would develop someone's inference skills.
