

# Sports Premium Funding

## 3 Year Action Plan 2017-2020

Wistow Parochial CE Primary School

Updated: Autumn Term 2017

**Total PE and sport Funding - £21,043.48**

**Funding remaining from previous years - £8610**

**Funding received for 2017-2018 - £17,210**

Achieved on or before Autumn 2017

To be completed before Summer 2018

To be completed after Summer 2018 (ongoing)

Brief overview of PE and Sport provision in school (prior to September 2017):

- High expectations, support and delivery of PE
- House Captains, Play Leaders and staff have worked hard to develop whole school sporting competitions; this was also supported by Young Enterprise and The Youth Trust.
- All children have had access to Swimming and Climbing sessions, the majority of whom have achieved NC expectations. A select few received additional sessions.
- Staff have worked hard to implement the new PE planning and Assessment.
- We have attended all cluster meetings and become more involved in inter competitions. All children have been encouraged to access cluster competitions.
- Sports clubs have been made available and cater for the demands. All clubs have been highly attended by children throughout KS1 and KS2.
- Outside agencies have been invited in to school to progress learning for more able (observed by teachers) as well as to expose children to higher level sporting.

School PE and sport development priorities based on our school context and identified pupil needs:

- Monitor the level of participation of after school sports clubs (paid and unpaid) to evaluate the interest and progress made in sports.
- Encourage wider participation of sporting team events
- Develop range of sports accessed by pupils
- Staff to continue to embrace PE planning and assessment in place.
- Encourage less active children to take part in competitive sport – discussed at cluster meeting to arrange sporting activities that cater for less active.
- Develop clubs that cater for less active children including at lunchtimes.
- Continue to invite outside agencies in to school and make clear links between school and local clubs.
- Coaches and outside agencies to be used for CPD – staff to observe and learn from high quality coaches.
- S Lip to encourage all staff to use planning and assessment effectively, including fitness passports.
- S Lip to follow assessment and progress of all children.

- Increase use of Golden values, reward system and sporting achievements in celebration assemblies.
- Develop blogging system for children who have taken part in sporting events.
- Continue to develop/increase the number of intra competitions within school.
- Replenish break time equipment and enquire about fixed equipment.
- Encourage all staff to use cross curricular links – maths, science, art.
- Develop website with the support of Play Leaders and house Captains.
- Raise attainment in swimming.

Quality Assurance. What systems are in place to ensure value for money and the involvement of the school leadership team, including the Governing Body, in overseeing the effectiveness of the projects?

- Action Plan with clear success criteria
- Regular updates fed back to staff, SLT and Governors
- Progress and pupil participation closely monitored in sport and physical activity
- Work towards achieving Bronze/Silver School Games Mark Criteria
