

Wistow Parochial CE Primary School - Sport Funding Expenditure 2017-2018

Review of PPSG 2017-2018

‘Through high quality physical education the school aims to enable pupils to become successful learners, confident individuals and responsible citizens who develop as independent enquirers, creative thinkers, reflective learners, team workers, self managers and effective participators.’

Over the last year, with the support of the PPSG we have:

- Supported access to after school clubs and competitions by funding transport and qualified coaches;
- Ensured that all children have access to local swimming facilities, qualified instructors and ensured that on leaving primary school, all children meet National Curriculum Expectations.
- Developed and implemented a whole school PE long term and medium term plan, clear assessment and monitoring programme;
- Continued to implement a whole school PE scheme;
- Worked towards achieving the Sainsbury’s bronze award;
- Promoted physical activity during lunchtimes (Play Leaders) and golden time;
- Invited local businesses to work with KS1 and KS2 children to develop knowledge of health and fitness;
- Invested in playtime and PE lesson equipment;

We will continue to develop:

- Assessment throughout the whole school to ensure good progress is made;
- Monitor delivered PE sessions in connection with Teaching Standards;
- Investigate possible fixed equipment in outside areas;
- Increase intra – school competitions for all children; working alongside play leaders, house captains and outside agencies;
- The possibility of increasing the number of swimming sessions available to the children;
- Work closely with Selby PE cluster to ensure that all children have access to physical activity;
- Develop blogging and children’s participation in feedback after sporting events;
- Continue to provide a range of sporting after school clubs that the children enjoy;
- Continue to work closely with Play Leaders and House Captains to increase the number of children who participate in organised games during lunchtimes;
- Continue to invite outside agencies to promote sporting activity above grass root level.

Allocated funding 2016-2017- £8,610
 Allocated funding 2017-2018 –£17,210
