

This week I would like you to work on writing your memories of your time at Wistow School.

Your work should have an opener and several paragraphs about your time in school.

Opener

This should be a general introduction to your work.

For example:

“I joined Wistow School in 2014 when I was 4 years old. I have some wonderful memories of my time here and would love to share them with you.”

Paragraphs

or	
You may wish to write a journey through the year groups, with a paragraph for each:	You may wish to choose a range of subjects and create a paragraph for each:
In reception...	My favourite lessons have been...
My teacher in Year 1 / 2 was...	My funniest memories were...
When I started Year 3 / 4...	We went on many trips and visits...
My final class was....	Each year we did a Christmas play, one year something terrible happened....

Conclusion

Bring the piece to a close with some thoughts of what you will miss the most and the things you are looking forward to in secondary school.

We **will** go through these in school with you and help you edit and improve them if need be.

It would be helpful to type your work onto Seesaw once it is written so you can access it in school and to avoid bringing paper into school from home.

Or, if you want to type it in a word document and email it to me, I can print it out for you to use in school.

You should work on this during your English time each day this week.
