

Faith is all around us.

We have to have faith in ourselves in order to be the best that we can be.

We are a small school, with big hearts and together we beat as one.

Sowing seeds of knowledge and faith, with nurture and love

We thrive, we grow.

An Agreement of Partnership

As a school, we believe strongly in the power and value of working together in partnership, so that your child will be happy and successful in their time with us at Wistow Parochial C of E Primary School. An effective link between home and school helps to ensure that this aim is met.

Together, we are always working towards our school Golden Values. In our school we care for and respect others. It is a friendly, calm and peaceful environment where people are happy and feel safe and loved.

School will:

1. Provide a caring environment where every individual can achieve success
2. Provide valuable experiences and opportunities for teaching and learning which will enable your child to develop spiritually, morally, physically and academically within a values-led community
3. Inform you and your child of their progress on a regular basis and share our joys, concerns and enthusiasm with you at an early stage
4. Communicate regularly with you about school life, activities and events
5. Show interest in your child's out of school achievements and activities and provide opportunities for them to pursue their own interests

Family should:

1. Ensure that their child attends school regularly, refreshed and wearing clothes suitable for school activities
2. Share joys, concerns and enthusiasm with school at an early stage
3. Take an active interest in the child's work and support them with their homework and other home learning opportunities
4. Support your child with home reading and share comments and feedback in children's planners, celebrating their achievements and noting areas for further development
5. Show an interest in the activities of the school
6. Support the school's Golden Values

Your child should:

1. Keep the school values of Honesty, Forgiveness, Resilience and Respect
2. Try their best with all class work and homework
3. Help to create a friendly, calm and peaceful environment

Together we will:

1. Encourage children to keep the school values and show by example
2. Support children's learning to help them achieve the best
3. Tackle any special needs
4. Encourage children's self-esteem and own sense of worth
5. Celebrate children's achievements both in and out of school
