This week we will be working on writing a book review.
This could be a book review of our class text 'Holes' or another book of
your choice.

You are to work on one or two sections of the review each day.

Section 2 – The characters

In this section we get to hear more about the key characters in the story

Here is an example:

My favorite characters were Kate Barlow and Zero Zeroni. Kate Barlow was a brave woman with opinions of her own and the love of Onion Sam to keep her dreams alive. Zero was one of the boys at Camp Green Lake. He hardly ever spoke, so everyone thought he was stupid. He was really very smart, and turned out to be a great friend.

Think...

Which words best describe the characters? Use a thesaurus (paper copy or online) to help you up-level your vocabulary

Now it's your turn!
