

Faith is all around us.
 We have to have faith in ourselves in order to be the best that we can be.
 We are a small school, with big hearts and together we beat as one.
 Sowing seeds of knowledge and faith, with nurture and love
 We thrive, we grow.

WISTOW PAROCHIAL CE PRIMARY SCHOOL

Head Teacher: Carla Cox

Policy for Inclusion and Special Educational Needs and Disabilities (SEND)

Document Status		
Date of Next Review	July 2027	Responsibility – Full Governing Body
Date of Policy Creation	February 2010	Responsible Governor Name
Date of Review and Ratification at FGB Meeting	July 2025	Nicki Williams
Policy Publication/Communication ☐ On the school website ☐ Shared staff network drive ☐ Updates to staff in staff meetings		<i>Signed off by the above named Governor during the full governing body meeting held on the date stated as ratified.</i>

Our Policy is based upon the North Yorkshire Council Model SEN Policy, January 2025.

SENCo: Emma Griffiths

The SENCo is a member of the senior leadership team
SEN Governor Nicki Williams

This Policy has been written to reflect current legislation and other school policies:

- The Children and Families Act 2014
- Equality Act 2010: advice for schools DfE Feb 2013
- Special Educational Needs and Disability Regulations 2014
- Special Educational Needs and Disabilities Code of Practice 0 – 25 (January 2015) (SEND CoP)
- Schools SEN Information Report Regulations 2015
- Current Statutory Guidance on Supporting pupils at school with medical conditions
- School's Safeguarding Policy
- Current teachers' standards
- Current teaching assistant standards
- School's Accessibility Plan

School Ethos

At Wistow Parochial Primary School **ALL** our children and young people are entitled to an education that enables them to make progress so that they can achieve their best, become confident individuals living fulfilling lives, and make a successful transition to adulthood, whether in further education, higher education or training. (CofP 6.1)

Christian values are central to the ethos of our school and we aim to provide a curriculum that is creative, enriched, challenging and fun.

‘I have come that they may have life and have it to the full.’ John 10:10

We encourage all members of our school community to develop the skills and confidence to reach their full potential in every aspect of school life. We strive to provide high standards of teaching and excellent learning opportunities in a safe, friendly and supportive environment. We believe that a strong partnership between school and home is essential to our children’s development.

Objectives and aims

This policy is written to ensure everyone working in our school is clear about the ethos, principles, procedures, and practice for pupils with Special Educational Needs and Disabilities (SEND). Every adult within our school must follow this policy. We use **‘must’** when referring to a statutory requirement.

All items in italics are taken directly from the [SEND Code of Practice 2015](#)

6.1 All children and young people are entitled to an appropriate education, one that is appropriate to their needs, promotes high standards and the fulfilment of potential. This should enable them to:

- *achieve their best*
- *become confident individuals living fulfilled lives, and*
- *make a successful transition into adulthood, whether into employment, further or higher education or training*

Things we **must** do:

- use our best endeavours to make sure that a child with SEND gets the support they need – this means doing everything we can to meet the needs of children and young people with SEND
- ensure that children and young people with SEND engage in the activities of the school alongside pupils who do not have SEND
- designate a teacher to be responsible for co-ordinating SEND provision – the Special Educational Needs co-ordinator, or SENCo
- inform parents when we are making special educational provision for their child
- prepare a SEN information report, which we publish on our school website
- state our arrangements for the admission of disabled children,
- state the steps being taken to prevent disabled children from being treated less favourably than others,
- provide facilities to enable access to our school for disabled children and publish our accessibility plan on our school website showing how we plan to improve access progressively over time
- have due regard to the general duties to promote disability equality.

A member of our governing body or a sub-committee has specific oversight of the school's arrangements for SEN and disability. This person is identified on the front page. All school leaders will regularly review how expertise and resources to address SEN can be used to build the quality of whole-school provision as part of our approach to school improvement.

The quality of education and the progress made by pupils with SEN is a core part of our school's performance management arrangements and its approach to professional development for all teaching and support staff. In addition, this also contributes to our school self-evaluation.

How Do Teachers Identify Pupils with SEND?

See [Flowchart for teachers at the end of the of this policy](#)

6.2 Every school is required to identify and address the SEN of the pupils that they support.

6.36 Teachers are responsible and accountable for the progress and development of the pupils in their class, including where pupils access support from teaching assistants or specialist staff.

The identification of SEN is built into our overall approach to monitoring the progress and development of all our pupils.

The steps below outlines the process that you as a teacher will follow to identify pupils with SEN.

1. Any child who gives you a concern whether it is due to a lack of academic progress, development or social need will be noted and dated on the child's records. This is referred to as a '**short note**' in the SEND CoP. It is imperative that your initial concern is logged and dated on a CPOMS and categorised as SEN. (If there is a child protection issue then our school's safeguarding procedures **MUST** be followed)
2. If a parent or pupil also raises a concern, this must be taken seriously, and we must listen to these concerns. These will be noted and dated on the child's records, as above. Again, inform the SENCO of their concern within 2 working days and log as above. (If there is a child protection issue then our school's safeguarding procedures **MUST** be followed)
3. N.B. At this point the child is not regarded as having SEN. How well the child responds or otherwise to the adjustments will determine if s/he has SEN.
4. The class teacher, following discussion with the SENCO, will discuss the concerns informally with the parent and gather information about what the possible barrier to learning is. You will make any reasonable adjustments to your teaching that are required and report at the next pupil progress meeting on the impact of your adjustments (or at the next agreed time – this will be a maximum period of one term).
5. Persistent disruptive or withdrawn behaviours do not necessarily mean that the child has SEN. Where there are concerns this needs to be logged and an assessment made by the class teacher, supported by the SENCo, if required. This is to determine whether there are any causal factors such as unidentified learning difficulties, difficulties with communication or mental health issues.

If appropriate, the SENCo may approach others such as Early Help as per the guidance in North Yorkshire Council's (NYC) [Ladder of Intervention](#). Any child in our school with SEND will not be discriminated against, sanctioned, or disciplined due to their special educational need.

6. Class and subject teachers, supported by the Senior leadership team, should make regular assessments of progress for all pupils. These should seek to identify pupils making less than expected progress given their age and individual circumstances. It can include progress in areas other than attainment

– for instance where a pupil needs to make additional progress with wider development or social needs in order to make a successful transition to adult life. Lower rates of progress and low attainment do not necessarily mean that a child has SEND and should not automatically lead to a pupil being recorded as having SEND. However, they may be an indicator of a range of learning difficulties or disabilities. Equally, it should not be assumed that attainment in line with chronological age means that there is no learning difficulty or disability. Some learning difficulties and disabilities occur across the range of cognitive ability and, left unaddressed may lead to frustration, which may manifest itself as disaffection, emotional or behavioural difficulties.

7. At this point, a decision as to whether the child has SEND will be made in conjunction with the SENCO. The child or young person (CYP) is now described as being at 'SEND Support'. They will appear as Code K on our school census. If required, we can seek advice from the local SEN Hub manager to clarify our decision. This will be undertaken by the SENCO.
8. At this point, a decision as to whether the child has SEN will be made in conjunction with the SENCo. The child or young person (CYP) is now described as being at 'SEN Support'. They will appear as Code K on our school census. If required, we can seek advice from the local SEND Hub manager to clarify our decision. This will be undertaken by the SENCo.
9. Our SENCo will maintain a list of pupils who have been identified as having SEN on our SEN list. All teachers can access this list via Arbor to see the pupils they teach. This is password protected. Anyone accessing this list must treat the content in confidence and in line with General Data Protection Act 2018 and Protection Regulations 2017 (GDPR). Each child then has an electronic file on the Staff shared drive, and a paper file stored securely in the school office.

There are 4 broad areas of need:

- Communication and Interaction
- Cognition and Learning
- Social, emotional, and mental health difficulties
- Sensory and/or physical needs

If you would like further clarification of these areas of need, then consult the SEND CoP 6.28- 6.35 or discuss with our SENCo. To assist us, NYC has banding descriptors for each area of need.

Special Educational Provision

Once the CYP has been identified as having SEN then the formal process begins. We **must** take action to remove barriers to learning and put effective special educational provision in place.

This is called the **Graduated Response**. It is a 4-part cycle: Assess, Plan, Do and Review.

Parents **must** be informed that their child has SEN, and that additional and different provision is being provided for their child. Parents will be signposted to NYC special educational needs and disabilities advisory and support service ([SENDIASS](#)) and the [local offer](#) . A link to this can also be found on our school website.

The graduated response is outlined below:

1. **Assess.** Assess CYPs needs – this happens at the start of each termly cycle to ensure we obtain a clear analysis of the CYP's need. The SENCo will support if required. We will ensure that the assessment informs any adjustments, approaches, resources, intervention and/or support required.
2. **Plan.** This will be undertaken at least termly with the parents and CYP. The views of parents and pupils are of paramount importance. This will be recorded on the plan.

The plan is written by the class teacher supported by the SENCo if required. We use the SEN Support Plan template. An agreed date to review the plan with the parents will be made at this meeting. Teachers are advised to refer to our whole school provision maps to help plan any adjustments, approaches, resources, or interventions required. If additional adult support is to be provided whether in-class or outside of class, it must be clear how, what and when this will be undertaken. The class teacher is responsible for monitoring the impact, supported by the SENCo. The additional adult support is someone who must be suitably trained to undertake the intervention.

The SEN Individual Support Plan will be written in the first few weeks of each term. They will then be shared with parents at the termly Support Plan meeting. An electronic copy is stored on the Staff Shared Drive, and a paper, signed copy in the child's file. It is the responsibility of the class teacher to do this.

The SENCo will monitor the quality of the plans.

3. **Do.** The class teacher remains responsible for the child. Where provision is provided by teaching assistants (TAs) or specialist teachers, the responsibility remains with the class teacher. TAs must supplement and not replace teachers. Teachers are still required to work with the child to plan and assess the impact of any adjustments support or interventions. The SENCo will support the class teacher in the further assessment of the child's particular strengths and needs, by problem solving and advising on the effective implementation of support. The SENCo will monitor this provision.
4. **Review** The class teacher will review the plan with the parents and CYP on the agreed date. The impact and quality of the support and interventions will be evaluated. This will feed back into the analysis of the pupil's needs. Parents will

be given clear information about the impact of the support and interventions provided, enabling them to be involved in planning next steps.

Monitoring Progress and Attainment of Pupils with SEND

The SENCO maintains a rigorous system for tracking the progress and attainment of all pupils with SEND, ensuring that each child's development is measured from their individual starting points. This includes regular analysis of assessment data, review of SEND Support Plans, and collaboration with teaching staff to evaluate the effectiveness of interventions. Progress is monitored not only in academic outcomes but also in broader areas such as social, emotional, and communication development. Attainment is reviewed in line with age-related expectations and personalised targets, with findings used to inform planning, provision, and strategic decision-making.

Use of the North Yorkshire Inclusive Mainstream Toolkit

Our school actively uses the *North Yorkshire Inclusive Mainstream Toolkit* to guide and enhance provision for children and young people with SEND. This framework outlines the expectations for inclusive practice and reasonable adjustments that should be available in all mainstream settings. It supports staff in delivering high-quality teaching and targeted support through clear descriptors across the four broad areas of need. The SENCO ensures that the framework is embedded in classroom practice by supporting staff to use it when planning interventions, adapting teaching strategies, and reviewing SEND Support Plans. To evaluate its impact, we monitor pupil progress through the graduated response cycle, gather pupil and parent voice, and conduct regular audits of provision against the framework's standards. Findings are reported to the Senior leadership team and SEND Governor and inform ongoing staff CPD and school improvement planning.

Access to Cultural Capital and Enrichment Opportunities

Pupils with SEND are actively supported to access a wide range of cultural capital experiences, including educational visits, enrichment activities, and extracurricular clubs. These opportunities are planned inclusively, with reasonable adjustments made to ensure full participation. The school closely monitors engagement and access through pupil voice, attendance records, and staff feedback, ensuring that pupils with SEND benefit equitably from experiences that enhance their personal development and broaden their horizons.

Involving Specialists

If at any point the class teacher in consultation with the SENCo feel they need additional advice and support from an outside agency, then the consent of the parent **must** be obtained first.

This would be undertaken by the SENCo, in consultation with parents and teachers when a pupil continues to make little or no progress or where they continue to work at levels substantially below those expected of pupils of a similar age despite evidence-based

interventions/adjustments. These interventions/support will be delivered by appropriately trained staff.

The class teacher will be asked to support the completion of the application. Class teachers are expected to engage with the outside agency the school has approached, incorporate their recommendations into their plans, and facilitate information sharing between the parents/carers and the outside agency.

Early Years

If a child is causing concern in the Early Years, he/she is monitored using the EYFS profile and teacher assessments. Reasonable adjustments are made to the environments and the provision of staffing. If interventions that are devised are additional and different this will be recorded with an Individual Learning and Provision Plan which records the differentiated provision in the setting. If the targeted intervention results in little or no progress, alternative strategies will be explored and tried. When all possibilities in school have been tried, external agencies are requested to become involved. The Assess Plan Do Review Graduated response is followed as mentioned previously, as are all steps in the section **How Do Teachers Identify Pupils with SEND?**

Differentiated Curriculum Provision

In order to make progress a child may only require differentiation of the plans for the whole class (universal provision). This differentiation may involve modifying learning objectives, teaching styles and access strategies. All children will access quality first teaching (see whole school provision maps). Under these circumstances, a child's needs will be provided for within the whole class planning frameworks and individual target setting. Differentiation is recorded in the planning by the class teacher.

If needs cannot be met through universal, (in class) provision, the child will receive Early Intervention, which is short term / time related small group intervention that is additional and different. At times, it may be necessary for a child to receive Personalised Provision, which is long term small group and individual interventions, also with involvement of outside agencies. Interventions are recorded on the whole school provision map and measured for impact.

Transition

SEN support will include a plan for effective transition between phases of education. The [chronology of support and involvement](#) includes a section for completion by the class teacher at the end of each year or other point of transition. These will replace previous Inclusion Passports over time. This will be completed in a timely way so that the receiving establishment and new class teacher has all the relevant information they require. At the end of the school year, the class teacher will also write a draft Individual Support Plan ready for new class teacher to adapt in September. The

SENCo will support the class teacher if necessary and ensure that the records and all necessary information is passed on to another establishment.

Admissions (also see Admissions Policy)

Applications to the school are made through the local authority admissions. If you are thinking of sending your child to Wistow Parochial CE Primary School and would like more information you can contact the school. Neither a child's ability, learning need or disability feature in the admission process unless the child has an Education Health and Care Plan, and the school has been named on the plan. If your child has special educational needs you may wish to contact Emma Griffiths, SENCO to discuss how the school could meet your child's needs.

Education, Health and Care Plans (EHCP)

Where a child is in receipt of an EHCP, the provision in Section F of the EHCP **must** be provided. Our teachers remain responsible for the CYP's progress. There will still be termly reviews and the graduated response will remain in place. In addition, there will be an 'Annual Review' held each year. This **must** be before the date of the anniversary of the plan being issued. The SENCo or member of our senior leadership team will chair the meeting and complete the required paperwork. For further details about this process and who is invited, please discuss this with the SENCo.

Confidentiality

Staff may have access to personal data about pupils and their families which must be always kept confidential and only shared when legally permissible to do so and in the interest of the CYP. Records should only be shared with those who have a legitimate professional need to see them. Staff should never use confidential or personal information about a CYP or her/his family for their own, or others advantage (including that of partners, friends, relatives, or other organisations). Information must never be used to intimidate, humiliate, or embarrass the child. Confidential information should never be used casually in conversation or shared with any person other than on a need-to-know basis. In circumstances where the CYP's identity does not need to be disclosed the information should be used anonymously. There are some circumstances in which a member of staff may be expected to share information about a CYP, for example when abuse is alleged or suspected. In such cases, individuals have a responsibility to pass information on without delay, but only to those with designated safeguarding responsibilities or to statutory services. If a CYP, or their parent / carer makes a disclosure regarding abuse or neglect, the member of staff should follow our school safeguarding procedures.

Safeguarding Children with SEND

Some children have an increased risk of abuse, and additional barriers can exist for some children with respect to recognising or disclosing it. We are committed to anti-discriminatory practice and recognise children's diverse circumstances. We ensure that all children have the same protection, regardless of any barriers they may face.

The additional barriers that can exist when recognising abuse and neglect in this group, include:

- Assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration.
- Pupils being more prone to peer group isolation than other pupils.
- The potential for pupils with SEN and disabilities being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs.
- Communication barriers and difficulties in overcoming these barriers.

Children with disabilities may have regular contact with a wide network of carers and other adults for practical assistance in daily living including personal intimate care, hence being mindful that such situations can increase risk.

Accessibility Statutory Responsibilities

The SEN and Disability Act 2001 placed a duty on all schools and LAs to plan to increase over time the accessibility of schools for disabled pupils and to implement their plans. Schools are required to produce accessibility plans for their individual school and LAs are under a duty to prepare accessibility strategies covering the maintained schools in their area.

Our school's accessibility plans are aimed at:

- Increasing the extent to which disabled pupils can participate in the curriculum.
- Improving the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities, and services provided, and
- Improving the availability of accessible information to disabled pupils and their families.

Roles and Responsibilities

Our school leaders and teaching staff, including the SENCo, will analyse data to identify any patterns in the identification of SEN, within the school and in comparison, with local and national data. We will then use this information to reflect on and improve the quality of education. The SENCo will use the data and report to our senior leadership team. (The January census is used, and the data is supplied by NYC at the end of the summer term or early autumn term each year).

The SENCo analyses data termly to feed back to the senior leadership team, focusing on different categories including Pupil premium, Summer Born, LAC, ECHP and EAL.

The SENCO writes a report to Governors annually.

Role of the Governors

Our Governing Body will work with our Headteacher to ensure that our school meets its responsibilities under the [Children & Families Act 2014 particularly section 66](#) regarding using their best endeavours and Equality Act 2010.

Our Governors **must** have regard to the SEND Code of Practice.

Our Governors **must** ensure that a Special Educational Needs Coordinator (SENCo) is appointed and that they are qualified, i.e., they are a qualified teacher and have the national award for special educational needs and disabilities (NASENCo). This does not apply if the SENCO has been in post prior to 1st September 2009. If our SENCo does not have this award on the day, they are appointed then our Governing Body **must** ensure it is achieved within 3 years of their appointment. This also applies to the Headteacher if they take on the role of SENCo.

- *6.3 There should be a member of the governing body or a sub-committee with specific oversight of the school's arrangements for SEN and disability. School leaders should regularly review how expertise and resources used to address SEN can be used to build the quality of whole-school provision as part of their approach to school improvement.*
- *6.97 They should consider their strategic approach to meeting SEN in the context of the total resources available, including any resources targeted at particular groups, such as the pupil premium.*

In our school, this means that a SEN Governor is appointed to work directly with the SENCo and other members of the senior leadership team and report to the governing body about matters related to SEND.

The Governors **must** publish at least annually a *SEN Information report*.

*6.79 The governing bodies of maintained schools and maintained nursery schools and the proprietors of academy schools **must** publish information on their websites about the implementation of the governing body's or the proprietor's policy for pupils with SEN. The information published should be updated annually and any changes to the information occurring during the year should be updated as soon as possible.*

The report **must** contain as a minimum the 14 bullet points listed in section 6.79 of the SEND CoP and will include arrangements for supporting CYP who are looked after by the local authority and have SEN. Therefore, we will produce this annually and it will be uploaded onto our school website in the SEND section.

*School governing bodies and proprietors **must** also publish information about the arrangements for the admission of disabled children, the steps taken to prevent disabled children being treated less favourably than others, the facilities provided to assist access of disabled children, and their accessibility plans.*

Role of the SEN Governor

Our SEN Governor will:

- be familiar with the SEND Code of Practice 2015 particularly Chapter 6
- be a critical friend to our SENCo by visiting at least once a term
- be aware of the numbers of CYP at our school with SEN and disabilities
- be aware of our SEND action plan

Monitor:

- the progress and attainment of our CYP with SEND

- attendance rates of our CYP with SEND
- fixed term and permanent exclusion rates of our CYP with SEND
- any internal exclusions including the frequency and length of time our CYP with SEND are sent out of lessons as a behaviour management strategy
- that our CYP are not being unfairly treated due to their SEND, for example being disproportionately being sent out of lessons, or excluded from taking part in wider educational experiences
- that our CYP receive a broad curriculum and social experiences, including that they don't disproportionately miss out on curriculum content, creative activities, and break times in order to access additional support
- that all policies are non-discriminatory regarding pupils with SEND

Investigate:

- the gaps or differences in our performance, attendance, or exclusion (including internal exclusions) levels between our CYP with and without SEND
- our strengths and areas for development regarding SEND provision
- how SEND is represented in our school development plan, and whether progress is being made towards targets
- obtain the views of our parents of CYP with SEND, about their experience of the school's SEN provision
- obtain the views of our CYP with SEND including their enjoyment and experience of learning
- obtain the views of our teachers, about their ability to implement the SEND plan

Report:

- each year to our full governing board on their findings

Role of the Headteacher

The Headteacher is responsible for the strategic development, policy, and provision in our school.

They are responsible along with the governing body to ensure our school meets its responsibilities under Children and Families Act 2014 and the Equality Act 2010.

The Headteacher along with other members of our senior leadership team and SENCo will publish a clear picture of the resources (e.g., a whole school provision map) that are available to the school.

Our Headteacher will ensure that any member of staff working with any CYP who SEND has is aware of their needs and have arrangements in place to meet them.

Role of the SENCo

A qualified SENCO is empowered, through their leadership status within the school to lead whole-school improvement for pupils with SEND.

6.87 The SENCo has an important role to play with the Headteacher and governing body, in determining the strategic development of SEN policy and provision in the

school. They will be most effective in that role if they are part of the school leadership team.

6.88 The SENCo has day-to-day responsibility for the operation of SEN policy and co-ordination of specific provision made to support individual pupils with SEN, including those who have EHC plans.

6.89 The SENCo provides professional guidance to colleagues and will work closely with staff, parents, and other agencies. The SENCo should be aware of the provision in the Local Offer and be able to work with professionals providing a support role to families to ensure that pupils with SEN receive appropriate support and high-quality teaching.

6.90 The key responsibilities of the SENCo will include:

- overseeing the day-to-day operation of the school's SEN policy
- co-ordinating provision for children with SEN
- liaising with the relevant Designated Teacher where a looked after pupil has SEN
- advising on the graduated approach to providing SEN support
- advising on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively
- liaising with parents of pupils with SEN
- liaising with early years providers, other schools, educational psychologists, health, and social care professionals, and independent or voluntary bodies
- being a key point of contact with external agencies, especially the local authority and its support services
- liaising with potential next providers of education to ensure a pupil and their parents are informed about options and a smooth transition is planned
- working with the headteacher and school governors to ensure that the school meets its responsibilities under the Equality Act (2010) with regard to reasonable adjustments and access arrangements
- ensuring that the school keeps the records of all pupils with SEN up to date

Our school will ensure that the SENCo has sufficient time and resources to carry out these functions. We will provide our SENCo with sufficient administrative support and time away from teaching to enable them to fulfil their responsibilities in a similar way to other important strategic roles within a school.

The monitoring of SEND provision in our school is an essential role of our SENCo, as it will inform any areas for development.

This will be undertaken in a variety of ways such as, but not limited to:

- classroom observation with a focus on: SEND provision, resources, and environment
- scrutiny of all SEND support plans content, implementation, and impact
- quality assure the delivery of any interventions
- ongoing assessment of progress and impact made by intervention groups
- tracks the progress and attainment of all pupils with SEND, ensuring that each child's or young person's development is measured from their individual starting points.
- work sampling of pupils with SEND at least termly via book scrutiny
- attendance at pupil progress meetings
- CYP questionnaires/discussions: after interventions, about support/provision in class and homework

- Staff voice
- effective deployment, preparedness and practice of TAs including teaching assistant interactions and questioning skills
- informal/formal feedback from staff, parents and CYP
- CYP progress tracking, using assessment data (whole-school processes)
- attendance records of pupils with SEND
- whole school provision map
- pupil premium scrutiny and impact
- supporting CYP and staff with effective transition
- consider examination/test access arrangements
- SEND CPD is tracked and evaluated.
- The SENCO closely monitors engagement and access to cultural capital experiences, trips and extracurricular activities through pupil voice, attendance records, and staff feedback
- termly meeting with our SEND Governor and report to our senior leadership team

Role of class teachers

6.36 Teachers are responsible and accountable for the progress and development of the pupils in their class, including where pupils access support from teaching assistants or specialist staff.

The role of the class teacher is to:

- support the SENCo and our senior leadership team to implement this policy and have due regard to the SEND CoP
- support and engage with the SENCo in regard to the SEND monitoring role
- identify pupils with SEND
- write effective SEN support plans, and implement and review them, as set out in this policy
- Planning what each pupil should learn and teaching pupils at all stages by focusing on the aspirational outcomes for each individual child
- Supervise additional adults involved in the learning of their pupils
- Ensure that additional adults are well informed and confident in their supporting the children in the school environment
- Assessing and recording when learning has occurred
- Consulting with the SENCo – to feedback on pupils
- Writing IPM's and Inclusion passports/ SEN Chronology of Support and Involvement Record for children in their class
- Meeting with parents of children with SEND in their class regularly in order to seek views and review progress at least once a term. (This is recorded on the Individual Support Plan.)
- Liaising with outside agencies
- Ensure all children have access to Quality First Teaching.
- set high expectations for every CYP including those with SEND

- liaise effectively with parents and listen and act upon their concerns
- use appropriate assessments to identify barriers to learning and set targets that are ambitious for all CYP
- plan lessons that will address potential areas of difficulty and remove barriers to achievement.
- use their best endeavours to meet the needs of CYP with SEND
- make reasonable adjustments to overcome barriers to learning
- remain responsible for working with the CYP with SEN on a daily basis
- keep abreast of SEND initiatives and CPD
- Where the role of class teacher is shared- there must be delegation of responsibilities agreed. However, the lead teacher will need to ensure tasks are completed.

Role of all support staff (including MSAs)

The role of the support staff is to:

- ensure CYP become independent, resilient learners
- promote self-esteem and social inclusion
- develop their knowledge of the curriculum
- work collaboratively with class teachers to overcome any barriers to learning
- report any observations about the CYP they are supporting to the class teacher
- contribute to reports for reviews of CYP with SEND
- attend CPD and keep abreast of initiatives
- follow the TA Standards (if appropriate)
