

You've Got a Friend in Me

You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed
You just remember what your old pal said
Boy, you've got a friend in me
Yeah, you've got a friend in me

You've got a friend in me
You've got a friend in me
If you've got troubles, I've got 'em too
There isn't anything I wouldn't do for you
We stick together and can see it through
'Cause you've got a friend in me
Yeah, you've got a friend in me

Some other folks might be
A little bit smarter than I am
Bigger and stronger too, maybe
But none of them will ever love you
The way I do, it's me and you, boy
And as the years go by
Our friendship will never die
You're gonna see it's our destiny
You've got a friend in me
You've got a friend in me
Yeah, you've got a friend in me

1. Why might the singer be singing this to his friend?
2. Why does he repeat, 'you've got a friend in me'?
3. What does he mean by 'when the road looks rough ahead'. Does he actually mean a rocky road?
4. How come when his friend has troubles, he's got them too?
5. What makes their friendship so special?
6. What line in the song suggests their friendship will last forever?
7. What does the word 'destiny' mean? Use a dictionary to help you.
