

Today we are going to finish our biography work. I would like you to make a video all about the person you have been researching and upload it onto Seesaw. You could create it in the style of an interview, or you could draw a picture of the person and read out your biography while recording. You can do anything you want to tell me all about the person you have created a biography about, as long as I can hear you speak.

Your aims for this lesson are to make sure you are speaking and reading with volume, clarity and expression. I need to understand absolutely everything you are reading/ saying as this is an informative piece of writing.

If you are using your book, here is your date and LO:

Friday 1<sup>st</sup> May 2020

LO: To create a video about the person I have been researching.

If you are not using your book do not write the date and LO.

I can't wait to see what you all make!
